

## **February 27, 2024 Ballot Proposal Language**

### The Sturgis Public School District

#### Operating Millage Proposal

This proposal will allow the school district to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in The Sturgis Public School District, St. Joseph County, Michigan, be increased by 3 mills (\$3.00 on each \$1,000 of taxable valuation) for a period of 11 years, 2024 to 2034, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2024 is approximately \$61,800 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?

### Township of Park

#### Road Millage Proposal

Shall Park Township impose an increase of up to 1.0 (\$1.00 per \$1,000 of taxable value) in the tax limitation imposed under Article IX, Section 6 of the Michigan Constitution on general ad valorem taxes and levy it for 4 years (2024 through 2027 inclusive) for the purpose of funding road improvements, which 1.0-mil increase will raise an estimated \$190,525 in the first year that the millage is levied?
