P16

Portage Lake

Use this DNR maintained site for your Portage River Launch. Head east to access the river mouth.

D14

*Minor Rapids.
Easy to navigate.*

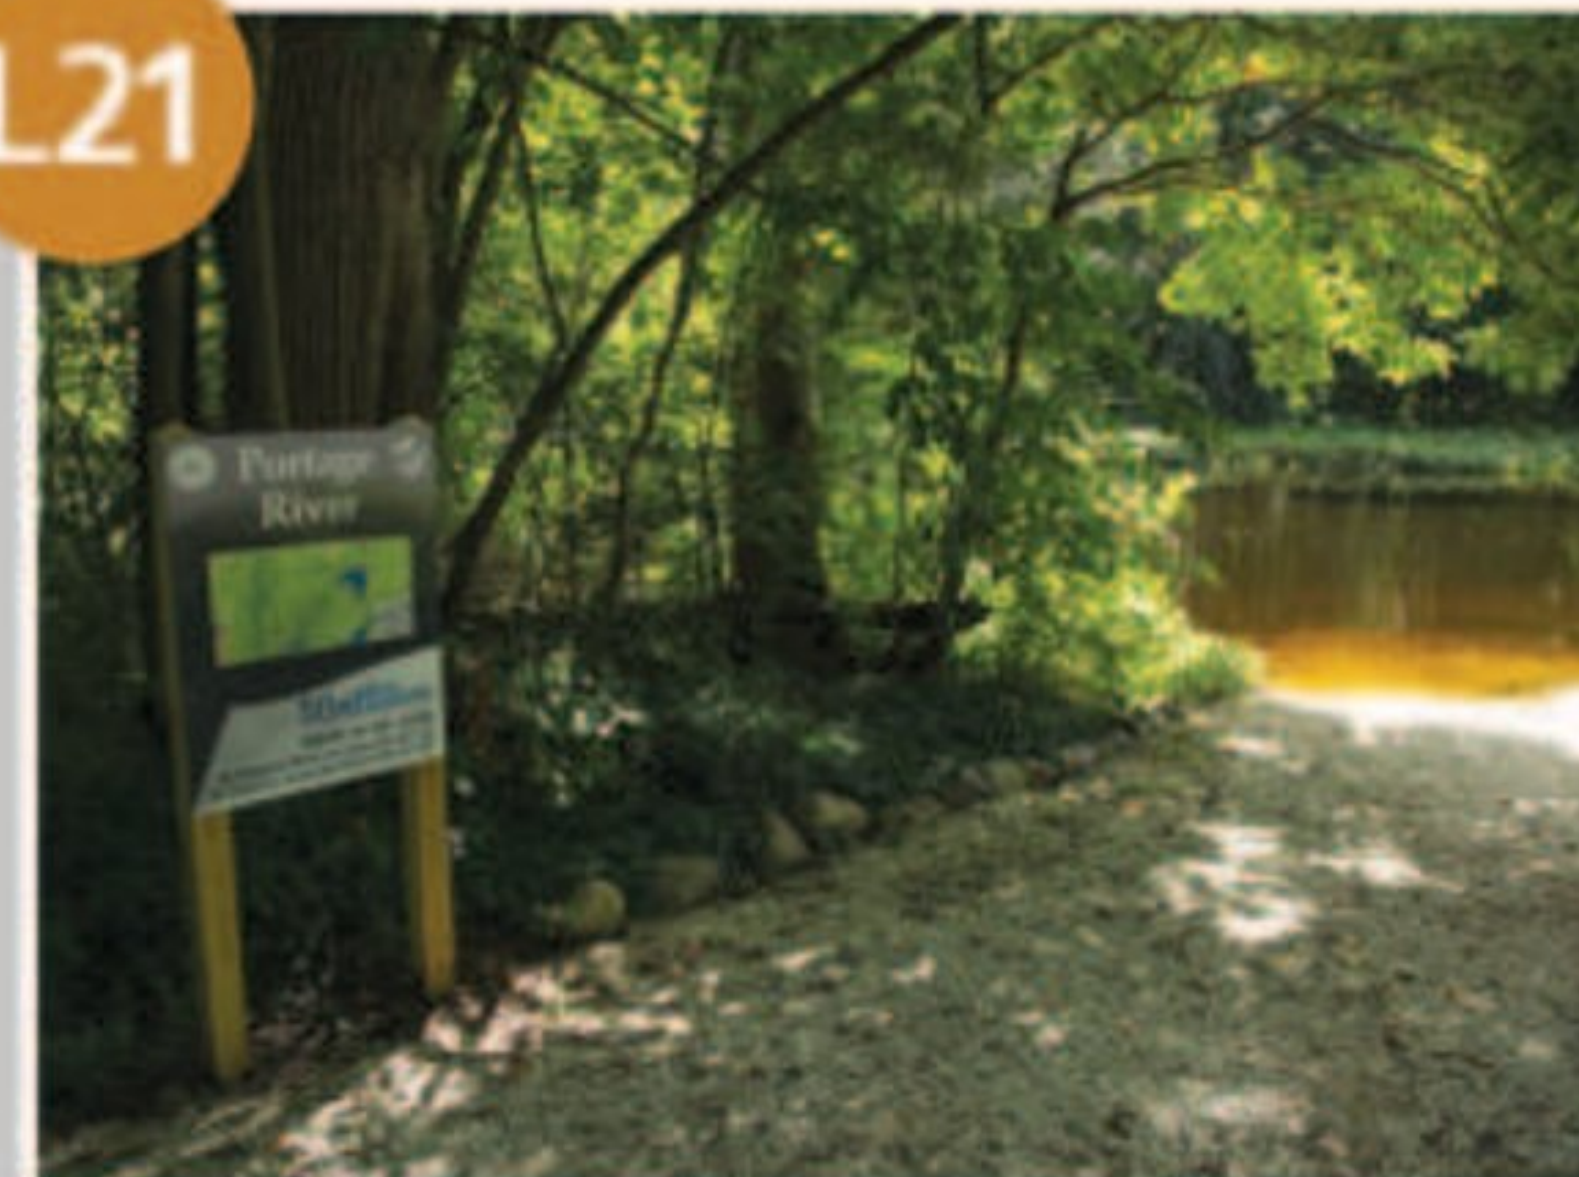

L20

Parkville Road

Newly improved! This launch is located just over an hour and a half from Portage Lake. Easy to exit the river with new gravel steps.

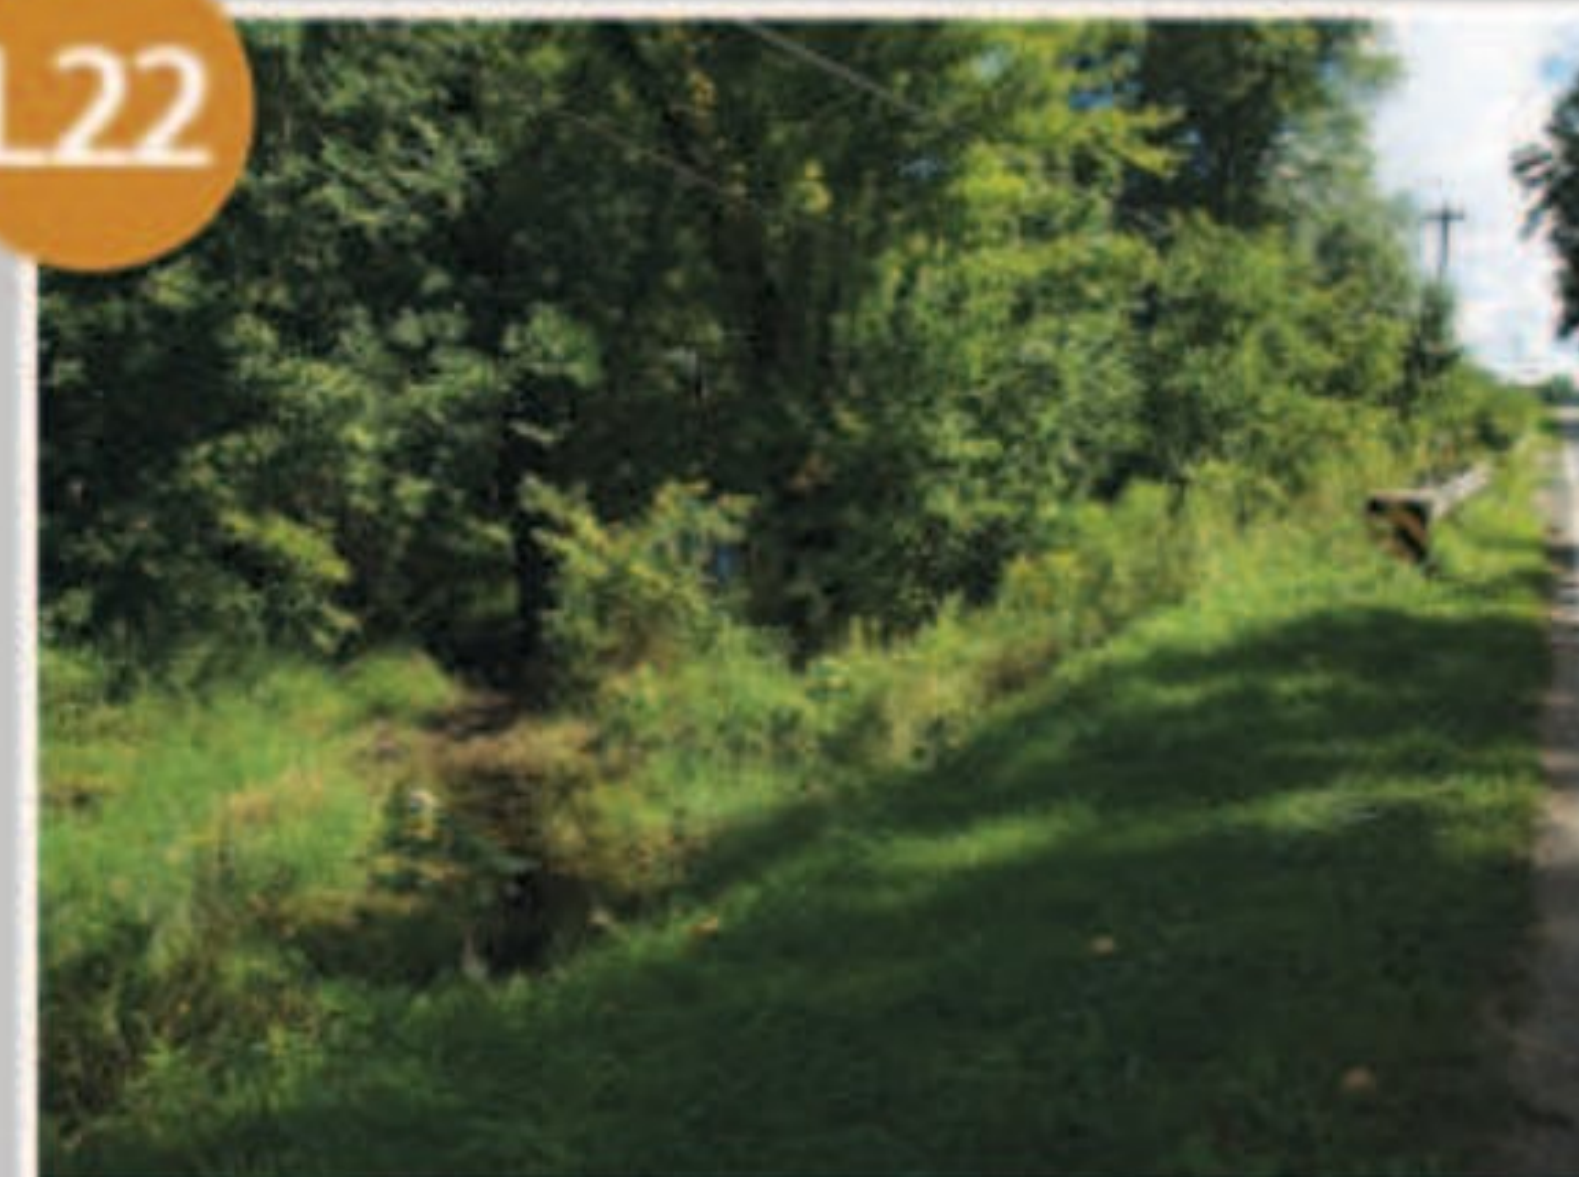

L21

North Fisher Lake Road

This launch is located 2.5 hours from Portage Lake. A great place to exit, or stop for a break before continuing another 45 minutes to Heimback Road.

L22

Heimback Road

Exit the Portage River at this launch to avoid having to portage the Hoffman Road dam. From this access point Three Rivers is about 3.5 hours.

D6

DAM. Visit StJoeH2O.com for images and videos on river obstructions and how to navigate them safely.

P7

Conservation Park/Liquid Therapy

Easily exit the river at this park where Liquid Therapy Canoe Rentals is located. Pavilion, play area, close to downtown.
