the St. Joseph River

TRIP 2

4.75 or 5.2 HOURS TOTAL Visit StJoeH2O.com for more information

L8

Prairie Corners Road

Ample parking past bridge on northwest bank. Dirt path, easy entry into the river at this access point. 1.5 hours to Covered Bridge Park.

P5

Covered Bridge Park & Dam

Portaging the City of Sturgis Hydro dam is required so this is an idea spot to stop and take a break or have a snack. Restrooms, pavillion. Portage through fence.

P6

Jefferson Street

3 hours from Covered Bridge Park and 4.75 hours from Prairie Corners, you can use this access point to avoid portaging the Three Rivers dam. Close to downtown.

P7

Conservation Park

5.2 hours from Prairie Corners, Liquid Therapy is located here. Convenient takeout if you continue for approx. 30 minutes past Jefferson Street and portage the Three Rivers Dam.

D9

D10

This section of the river contains two dams that must be portaged. Visit StJoeH2O.com for images and videos on river obstructions and how to navigate them safely.
