RULES OF THE ST. JOSEPH COUNTY BOARD OF COMMISSIONERS

I. - BOARD MEETINGS - TIME AND PLACE

- A. **REGULAR AND ADJOURNED REGULAR MEETINGS.** The County Board of Commissioners shall convene for the purpose of holding meetings in the Commissioners' Room in the St. Joseph County Courthouse in the Village of Centreville. A notice of the regular meeting schedule as established by the County Board of Commissioners, stating the dates, times, and places of the County Board of Commissioners' regular meetings, shall be posted within 10 days after the first meeting of the County Board of Commissioners in each calendar year. These meetings shall be considered regular meetings of the County Board of Commissioners. {Amended 7/16/13} {Amended 12/7/21}

Any other meetings shall be special meetings or adjourned sessions of the regular meetings, depending upon the means and methods used in calling the meeting. Unless the County Board of Commissioners otherwise provides, the motion to "adjourn" any meeting of the County Board of Commissioners, whether special or regular, shall mean to adjourn to the next succeeding regular meeting date. {Amended 2/19/91}

- B. **SPECIAL MEETINGS.** The County Board of Commissioners shall convene for the purpose of holding special meetings upon the written request of at least one-third (1/3) of the Commissioners elected and serving, to the County Clerk, specifying the time, date, place, and purpose of such meeting, [or when the County Board of Commissioners, while in session, votes to call a special meeting.

When a special meeting is called by written request, as provided above, the County Clerk shall immediately give written notice thereof to each Commissioner at least three (3) days before the time of such meeting in the manner prescribed by law. Written notice may be given via email, fax, mail service or hand delivered. The County Clerk shall attempt to confirm receipt of notice. Under either situation described above, the Clerk shall post at least 18 hours before the meeting a Public Notice as required by the Open Meetings Act, PA 267 of 1976, as amended, and if the County directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the Clerk shall post the Public Notice on a portion of the website that is fully accessible to the public. The Public Notice on the website shall be included on either the homepage or on a separate webpage dedicated to public notices for nonregular scheduled public meetings and accessible via a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of those nonregular scheduled meetings. {Amended 2/18/03} {Amended 12/7/21}

Emergency meetings of the County Board of Commissioners may be called only with the approval of 2/3 of the members of the County Board of Commissioners elected and serving and only if delay would threaten severe and imminent danger to the health, safety, and welfare of the public. However, if the County Board of Commissioners holds an emergency public meeting that does not comply with the 18-hour posted notice requirement, it shall make paper copies of the public notice for the emergency meeting available to the public at that meeting. The notice shall include an explanation that the County Board of Commissioners cannot comply with the 18-hour posted notice requirement. The explanation shall be specific to the circumstances that necessitated the emergency public meeting, and the use of generalized explanations such as "an imminent threat to the health of the public" or "a danger to public welfare and safety" does not meet the explanation requirements of this subsection. If the County Board of Commissioners directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, it shall post the public notice of the emergency meeting and its explanation on its website in the manner described for an internet posting for a special meeting. Within 48 hours after the emergency public meeting, the County Board of

Commissioners shall send and file official correspondence with the County Clerk that shall include the public notice of the meeting with explanation. {Amended 03/20/95; amended 04/01/08} {Amended 4/28/21}

No other matter may be decided using a secret ballot.

The newly elected Chairperson shall assume the chair and proceed with the election to the office of Vice-Chairperson. The selection of Vice-Chairperson shall be by voice vote or roll call vote. If the commissioners present shall not cast a majority for one nominee, the County Clerk shall continue to preside until a majority of commissioners elects one of its members to be Chairperson. - B. **ORDER OF BUSINESS**. For all meetings of the County Board of Commissioners, the first four items below must be the first four items at every meeting and the Chairperson of the County Board of Commissioners has the discretion to arrange items 5 through 11 in any order, provided items 5 through 12 are included in each meeting.

Late items shall be distributed to all Commissioners at the beginning of the County Board of Commissioners meeting and shall be announced by title and added to the agenda with appropriate agenda numbers. A five-minute recess shall be granted at the request of any Commissioner prior to the consideration of late items.

D. RIGHTS AND DUTIES OF MEMBERS.

Speaking priorities. The sponsor of any properly moved and seconded motion, resolution, ordinance, or report shall have the right to speak for up to five minutes, after the formal introduction but prior to any discussion of the matter.

In any case where there may be more than one sponsor to a particular motion, resolution, ordinance or report, it shall be in the discretion of the Chairperson which person shall exercise the right given by this rule to first speak on the pending matter.

Each Commissioner shall be limited to speak for a five-minute time limit per recognition by the Chairperson. Before speaking, each member shall address himself/herself to the Chairperson. If two or more members arise to speak at the same time, the Chairperson shall designate the order in which they shall speak. No Commissioner shall leave a meeting prior to adjournment unless first excused by the Chairperson. The Clerk shall record in the official record the time at which the Commissioner enters or leaves the meeting while the County Board of Commissioners is in session.

{Amended 12/7/21}

Attorney Client Privilege Communications. The County Board of Commissioners may require guidance from the County Attorney from time to time and may require that this guidance be communicated privately. Letters from the County Attorney to the County Board of Commissioners and to County staff are privileged communications between legal counsel and client. They may be marked confidential or privileged, and if confidential or privileged, they are not to be released to any party without prior authorization of the County Board of Commissioners. To do so unilaterally would unnecessarily compromise the County's legal position and prevents the County Board of Commissioners from discussing those opinions in a closed session. All requests or communications to the County Attorney by individual County Commissioners should be processed through the County Clerk or the Chairperson.

- D. MOTIONS, RESOLUTIONS AND COMMITTEE REPORTS. No motion shall be debated or voted upon unless seconded. Any motion may, with the permission of the person who moved and seconded it, be withdrawn at any time before the same has been adopted. Every motion shall be put in writing at the request of any member of the County Board of Commissioners. All motions, resolutions, committee reports and amendments or substitutes thereto shall be entered at large upon the minutes unless withdrawn. Each recommended ordinance introduced shall be headed by a title briefly describing or identifying it. If the title is lacking, the Clerk of the County Board of Commissioners shall return it to the Commissioner who submitted it.

1. **Voting.** The vote on any questions shall be taken by a yea or nay roll call when called for by any member of the County Board of Commissioners or as required by State law.
2. **Conflict of Interest - Abstention.** Commissioners shall adhere to the conflict of interest statute, MCL 15.321 Section 2.
3. **Order of Precedence of Motions.** When a motion is seconded and before the County Board of Commissioners, no other motion shall be received except the following:
 - i. To fix the time to which to adjourn
 - ii. To adjourn
 - iii. For the previous question
 - iv. To lay on the table
 - v. To postpone indefinitely
 - vi. To postpone to a date certain
 - vii. To refer
 - viii. To amend

These motions shall have precedence in the order as above named.

4. **Motions to Adjourn.** A motion to adjourn shall always be in order except while a vote is being taken on any other motion already before the County Board of Commissioners, or when a member has the floor.
 5. **Motions to Reconsider.** A motion for the reconsideration of any question shall be in order if made on the same day or at the next regular Board meeting by a person that voted on the prevailing side. A majority of the Commissioners (4 out of 7) must vote for the motion to reconsider in order for the County Board of Commissioners to reconsider the motion. If the motion for reconsideration passes, then a majority of the County Board of Commissioners must vote on the actual question then being reconsidered. A second vote for reconsideration or a reconsideration after the next succeeding Board meeting can only be had with the consent of two-thirds (2/3) of the members. {Amended 2/18/03; 7/16/13}
 6. **Resolutions and Ordinances.** Resolutions shall be considered in the order in which they are received unless otherwise ordered by the County Board of Commissioners. All resolutions and motions for the appropriation of money and all proposed County ordinances shall be presented to the County Board of Commissioners in writing.
 7. **Division of Question.** Upon request by any member, any question before the County Board of Commissioners may be divided and separated into more than one question; provided, however, that such may be done only when the original is of a nature that upon division, each of the resulting questions is a complete question permitting independent consideration and action.
- G. **APPEAL FROM DECISION OF CHAIR.** When an appeal is taken from the decision of the Chair, the member making the appeal shall be allowed to state their reason for doing so. The question shall be then immediately put in the following form:

“Shall the ruling of the Chair be sustained?”

The question shall be determined by a majority vote of the members present, except the Chairperson shall not preside over that vote.

F. REFERRAL TO COMMITTEES. It shall be the duty of the Chairperson to refer all petitions, communications, resolutions, motions, and other business that may come before the County Board of Commissioners to the proper committee unless objection be made by some member in which event a motion made and adopted with reference to the subject shall preclude the Chairperson's action.

1. All referrals to committee shall be in one of the following forms:

- i. General Referral. Any referral which must be referred to the County Board of Commissioners after the Committee has reviewed or studied the matter shall be referred to as a general referral.
- ii. Referral for Information. Any referral which need not be reported back to the County Board of Commissioners by the Committee to which it is referred, shall be called a referral for information.

G. DISCHARGE OF COMMITTEE. The County Board of Commissioners may, by a majority vote of all its members, discharge any committee from further consideration of any matter referred to the Committee for general referral.

H. MOTION TO CLEAR THE FLOOR. If, in the judgment of the Chairperson, there is a confusion of Parliamentary procedure existing, the Chair shall have the right to request a "motion to clear the floor" which motion, if made and seconded, shall be undebatable, shall take precedence over all other motions, shall be forthwith put by the Chair, and, if carried, shall clear the floor completely and with the same effect as if all matters on the floor were withdrawn.

The motion to clear the floor shall not be reconsidered; but its passage shall not limit the right of any member to move for the reconsideration of any other matter in the same manner as, but for the passage of the motion to clear the floor, would be in accordance with these Rules.

I. PUBLIC MEETINGS. Board meetings shall be open to the public as required by the Open Meetings Act, 1976 PA 267, as amended.

Members of the County Board or its committees shall remain cognizant of the strictures of the Open Meetings Act when using email and shall not deliberate toward or render a decision on matters of public policy through email, or otherwise outside of a properly called public meeting. (Added 12/7/21)

J. CLOSED SESSION. The County Board of Commissioners may meet in closed session, closed to members of the public, upon the motion of any member and roll call approval by two thirds of the members for the following purposes:

1. To consider the purchase or lease of real property, until an option to purchase or lease that real property is obtained.
2. To consult with its attorney regarding trial or settlement strategy in connection with specific pending litigation, but only when an open meeting would have a detrimental financial effect on the litigating or settlement position of the county board.
3. To meet with an attorney to consider the attorney's written opinion.

4. To review the specific contents of an application for employment to a county position and the applicant requests that the application remain confidential. Whenever the County Board of Commissioners meets to interview an applicant, it shall be in open session.
5. To consider material exempt from discussion or disclosure by state or federal statute. The County Board of Commissioners may also meet in closed session for the following reasons without the requirement of a two-thirds vote:
 - i. To consider the dismissal, suspension, or disciplining of, or to hear complaints or charges brought against, or to consider a periodic personnel evaluation of a public officer, employee, staff member, or individual agent if the named person requests a closed hearing. If the person rescinds their request for a closed hearing the matter at issue shall thereafter be considered only in open public meeting.
 - ii. To consider strategy connected with the negotiation of a collective bargaining agreement.

Preserving confidentiality in a closed session promotes effective and open discussion. Disclosure of information from that session violates the trust that allows for open discussion and free exchange of ideas among Commissioners during closed session. Even if the matter discussed is no longer confidential (acted on in open session), confidential information discussed in closed session must stay confidential. Disclosure of closed session information is a violation of the Open Meetings Act and a breach of the member's fiduciary duty.

For each closed session, the clerk shall make a separate record of the topics discussed. This record shall not be disclosed to the public except upon the order of a court. The clerk may destroy the minutes one year and one day after the meeting at which the County Board of Commissioners approved the minutes of the meeting at which the County Board of Commissioners voted to hold the closed session.

(The foregoing rules comply with the provisions of the Open Meetings Act, as amended (MCLA 15.267, MSA 4.1800[17]). {Entire section on Closed Session added 04/01/08} {Amended 12/7/21}

K. COMMENTS FROM THE FLOOR. Only members of the St. Joseph County Board of Commissioners shall be given the floor to speak during any Board meeting except:

1. Anyone who desires to speak under Public Comments; and
2. County officials and/or personnel may speak with the consent of the majority of the County Board of Commissioners members present; and
3. Any person with the consent of the Chairperson of the County Board of Commissioners.
4. Public comment shall be limited to no more than four (4) minutes per individual and at the times designated as stated above, except where extended privileges are granted by the Chair. Those wishing to speak must be recognized by the Chairperson and must give their name and address before making their comments. Those addressing the County Board of Commissioners may be stopped from speaking if the speech disrupts, disturbs, or otherwise impedes the orderly conduct of the County Board of Commissioners meeting. Comments must be directed to the County Board of Commissioners. Under circumstances where many persons wish to speak on a specific topic, the

Chairperson may request that comments not be unduly repetitive or otherwise disruptive, and if they are may be ruled out of order and stopped. In any case, limitations on speech must be reasonable and viewpoint neutral. {Amended 2/18/03; 1/17/17}

- L. PARLIAMENTARY AUTHORITY. Robert's Rules of Order (newly revised) shall govern all questions of procedure which are not otherwise provided by these Rules, or by State Law.
- M. CODE OF ETHICS. The County Board of Commissioners places great emphasis and importance upon the proper discharge of their duties and responsibilities.
